ethnodrama an anthology of reality theatre contains seven carefully selected ethnодрамас that best illustrate this emerging genre of arts based research a burgeoning but evident trend in the field of theatre production itself in his introduction to ethnодrama and to the plays themselves salda a emphasizes how a credible vivid and persuasive rendering of a research participant s story as a theatrical performance creates insights for both researcher and audience not possible through conventional qualitative data analysis with their focus on the personal immediate and contextual these plays about marginalized identities abortion street life and oppression manage a unique balance between theoretical research and everyday realism

r m liuzza s broadview edition of beowulf was published at almost exactly the same time as seamus heaney s in reviewing the two together in july 2000 for the new york review of books frank kermode concluded that both translations were superior to their predecessors and that it was impossible to choose between the two the less celebrated translator can be matched with the famous one he wrote and liuzza s book is in some respects more useful than heaney

s ever since the liuzza beowulf has remained among the top sellers on the broadview list with this volume readers will now be able to enjoy a much broader selection of old english poetry in translations by liuzza as the collection demonstrates the range and diversity of the works that have survived is extraordinary from heartbreaking sorrow to wide eyed wonder from the wisdom of old age to the hot blood of battle and to the deepest and most poignant loneliness there is breathless storytelling and ponderous cataloguing there is fervent religious devotion and playful teasing the poems translated here are meant to provide a sense of some of this range and diversity in doing so they also offer significant portions of three of the important manuscripts of old english poetry the vercelli book the junius manuscript and the exeter book

art and interpretation is a comprehensive anthology of readings on aesthetics its aim is to present fundamental philosophical issues in such a way as to create a common vocabulary for those from diverse backgrounds to communicate meaningfully about aesthetic issues to that end the editor has provided selections from a wide variety of challenging works in aesthetic theory both classical and modern the approach is often cross disciplinary within the discipline of philosophy it seeks to balance readings from the analytic tradition with continental european hermeneutical postmodern including deconstructionist and feminist readings the anthology is thus broadly conceived but by grouping the readings into sections such as expression and aesthetic object psychology and interpretation marxist theory and culture gender and difference it aims as well to provide depth of coverage for each topic or issue the book opens with a historical section containing substantial selections from plato aristotle hume kant shelley and nietzsche these readings introduce themes that recur and are developed in the remainder of the anthology
